

Enough confidence in our scootas for a 4 year warranty*

SYM
scoota

SYM Scootas are proudly distributed by Select Scootas, a family owned Australian business. Select Scootas have been distributing motor scootas since 1999. SYM's facilities are ISO9000 accredited & supply scoota markets worldwide with innovative, award winning & value-for-money vehicles. We are so confident in the quality, we offer an industry leading four year warranty. (*Warranty conditions apply.)

Scootas represented in this brochure may vary slightly in colours & features, please consult your dealer. Specifications subject to change without notice.

For your own safety always wear an approved helmet & eye protection.

To understand the capabilities of your scoota please read the owners manual before riding.
